## VI. Expectations

- 1) **Attendance and Participation:** Absences are detrimental to your learning. Students are expected to come prepared with materials and ready to participate and learn in all speaking, listening, reading, and writing activities.
- 2) **Tardy Policy:** If tardiness becomes persistent I will contact home and/or send you with a referral to the Student Advisor.
- 3) **Late Work:** Late work will be accepted for **excused** absences and must be completed within **48 hours**. After that, no work can be made up unless you have contacted me beforehand. **All other work is accepted for 75% of your grade for that assignment and must be completed within 48 hours.** It is the student's responsibility to find out what was missed during an absence.
- 4) **Food and Drinks:** Coffee, tea, water, and candies are accepted. Food is not accepted.
- 5) **Electronic Devices:** Keep your phone off or set it to "silent". Don't text in class or listen to music on your own device. There is NO individual music during tests. I will take your phone/iPod away if you abuse this policy, and you are welcome to pick it up from me at the end of the day. Repeated violations will result in discussions with parents/administration.
- 6) **Class Rules:** Students are expected to behave properly in the classroom by following these class rules:
  - ❖ **Respect Yourself and Others**
  - ❖ **Speak Spanish**
  - ❖ **Respect the Teaching/Learning Process**

These rules will ensure that we will have a great year! If one or more of the above rules are broken, I will follow the Denver Public School Discipline Matrix while taking these steps:

- Verbal warning and conference with student
- Conference with student and call home
- Conference with student, call home and parent/teacher conference
- Student is referred to the administration
